

Ellie Cantor, Ph.D., MBA
President, CJ Resources, Inc.

Ellie has had a successful career in biopharmaceutical executive search since entering the field in 1990. She and her partner, Barry N. Jones, Ph.D., established CJ Resources, Inc., in 1996 to provide search services for technical and managerial positions in biopharmaceutical R&D. Ellie is also an affiliate of CEO Resources, Inc., a retained executive search firm focused on recruiting senior leadership for entrepreneurial companies, where she participates in assignments for biotechnology and pharmaceutical clients. In addition, she is a Project Manager for the Life Science Career Alliance supporting the organization's communications and outreach functions.

Previously, Ellie worked in the pharmaceutical industry, first as an assistant member of the Roche Institute of Molecular Biology and then as a biochemical pharmacologist for Berlex Laboratories, Inc. She holds a B.A. in biochemistry from the University of PA, an M.S. in pharmacology from the University of the Sciences in Philadelphia, a Ph.D. in pharmacology from the Medical College of PA (now Drexel University College of Medicine), and an MBA from Montclair State University.

Ellie is active in professional and volunteer organizations including the Philadelphia Chapter of the Association for Women in Science, the Trust Fund of the Alumnae/i Association of WMC/MCP, and the Alumni Association of Drexel University College of Medicine. She serves on the Board of Trustees of the Drexel University College of Medicine and is a member of ASPET, DIA, RAPS, and ACS. She has received numerous honors for her professional and organizational contributions including:

- Director's Award for Outstanding Achievement in Pharmacology, Berlex Laboratories, Inc., 1988
- Medical College of PA Alumnae/i Citation Award, 1997
- Alumnae and Alumni Association of MCP Hahnemann University School of Medicine Service to the Association Award, 2001
- Elizabeth Bingham Mentoring Award, Association for Women in Science, Philadelphia Chapter, 2003
- Drexel University College of Medicine Biomedical Graduate Programs Distinguished Alumnae/i Award, 2003
- Drexel University General Alumni Association Board of Governors Distinguished Alumnus/a Award for Special Distinction, 2004

Ellie has a strong interest in career development for young scientists and presents lectures and workshops to graduate students and postdoctoral fellow on interviewing skills and resume preparation. She also offers training and career development workshops for established scientists in academics and industry.
