

DR. ANGELA CAPO-GRANATA has been a Board Certified Radiologist since 1991 and is currently practicing at The Women's Center of St. Francis Hospital. She received her medical degree at the Medical College of Pennsylvania (now Drexel University College of Medicine) in 1986 and continued her training and practice in Philadelphia, New York City and on the North Shore of Long Island.

Her expertise includes all aspects of women's imaging, including mammography, breast, pelvic, abdominal and thyroid sonography, breast MRI, sonohysterography, and breast biopsies, including stereotactic, ultrasound-guided and MRI-guided. Her knowledge and ability go hand-in-hand with the warmth and enthusiasm she affords to her practice and her patients.

Dr. Capo-Granata serves on the Board of Directors of the Alumni Association of Drexel University College of Medicine.
